REMARKS

In this Amendment, Applicant amends the specification to correct the language in the priority claim based on a converted provisional application. Applicant also amends claims 1, 13, 17, 19-21, and 30 to correct typographical, antecedent basis, and form issues. The claim amendments are thus not related to patentability. The claim amendments thus do not provide any new matter. Applicant respectfully requests entry of the present amendment prior to issuance.

CONCLUSION

Applicant invites the Examiner to contact the Applicant's undersigned Attorney if questions arise concerning this Amendment.

Respectfully submitted,
